Yes! Once you have finished, take a photo of it and add it to your 2Do. Then you can hand it in!

Go to the '**Announcements**' blog to find two videos explaining how to do this.

Top Tips!

Did you know...?

You don't have to complete **all** the maths questions every day. Do as much as you can but don't worry if you can't do them all. If you wouldn't usually do all the extra challenges in class, you don't need to complete all the questions on Purple Mash.

Not sure where we are up to with the story? Head to the **Reading and Writing** blog to find videos of the story so far!

Make sure you click '**hand in**' on your 2Do when you have finished your work. If you don't, you'll end up with a huge list of 2Dos by the end of the week!

If you hand it in, your teacher can mark it too 😊

If you are working on a computer, save your timetable to your **desktop** every Monday.

If you do this, you won't need to look for it every lesson!
